|------------------------------------|----------------------------------|
| Anisah Mehmood - S12 (Secretariat) | Gary Culloden – Workstream Chair |
|------------------------------------|----------------------------------|

### Item 1: Meeting Summary

1. The meeting was opened by the Chair (PF), who welcomed attendees and noted apologies. The Q/A session with Homeland Security will NOT be recorded.
2. S12 provided a headline summary of linked S12 workstreams/strategic position on key industry issues.
3. The purpose of this workstream was reaffirmed as supporting government, the SIA, and partner agencies in implementing Martyn's Law.
4. Attendees were encouraged to continue promoting awareness across the sector and to ask questions to raise awareness/professional curiosity.
5. An update was provided by Homeland Security on the current T (POP) legislation and various questions asked/responses/correction details.
6. Further details will follow about the 'In Person' Martyn's Law session being arranged by Gary Culloden for the 9<sup>th</sup> September 2026 involving the SIA & Homeland Security.

### Item 2: Meeting Topics

#### **1. Purpose and Role of Workstream**

- 1.1 Continues to act as a "critical friend" to government and regulators.
- 1.2 Supports implementation of Martyn's Law and provides industry feedback.
- 1.3 Stakeholders to promote awareness across the sector.

#### **7;2. Homeland Security Question & Answer Session – Not recorded.**

#### **Key Discussion Points**

- 2.1 Further checks/balances/eligibility requested to assist regulated sector.
- 2.2 Ongoing confusion around 'responsible person' status, clarified by Homeland Security.

2.3 No requirement for Level 3 NaCTSO Endorsed course – not part of T(POP) legislation, concerns expressed around content/feedback route.

2.4 Home Office ask's - Use ML/T(POP) material available, continue to engage & provide feedback.

### 3. Communications and Next Steps

3.1 Potential in-person engagement session to be arranged 9<sup>th</sup> September 2026 – Gary Culloden leading, further details to be shared.

3.2 Promote ML/T(POP) communications and amplify guidance.

### Item 3: Any Other Business

No further items were raised

### Item 4: Next Meeting Date:

9<sup>th</sup> September 2026 (In person)

### Item 5: Close of Meeting

The Chair closed the meeting and thanked all attendees.

### Action Summary

| No. | Action                                                                                                                  | Owner                        | Deadline     |
